

Enriching Lives

## **KIRLOSKAR CORROCOAT PRIVATE LIMITED**

A Kirloskar Group Company

### **QUALITY, ENVIRONMENT, HEALTH & SAFETY Integrated Management System POLICY**

WE at Kirloskar Corrocoat Private Limited (KCPL), Manufacturer, Suppliers & Applicators of Anti-Corrosion Products are committed to improve our performance, related to the Integrated Management System (IMS) that complies with ISO 9001:2015, ISO14001:2015, ISO 45001:2018 Standards, continually to meet and exceed needs and expectations of our customers, employees and other interested parties by:

- Continually improving our internal and outsourced processes through Plan-Do-Check-Act (PDCA) methodology
- Enhancing Customer Satisfaction through continual improvement of Quality of products and services delivered
- Protecting the Environment through elimination / reduction of pollution, conserving non-renewable natural resources while harnessing the renewable ones and promoting green practices in value chain, as appropriate
- Making workplace and value chain healthy and safe through identification of hazards and controlling the associated risks
- Integrating IMS procedures into Operations and encouraging & promoting for consultation and participation of employees to enhance OHS / IMS performance
- Creating awareness about IMS among the employees and upgrading their competence through training and skill enhancement
- Complying to relevant Statutory, Regulatory, Legal, and other requirements applicable to our Products, Services, Operations, Equipment, and Environment, Occupational Health & Safety
- Setting IMS Objectives and reviewing the progress of realization of these Objectives periodically at relevant functions & levels

This policy shall be communicated within KCPL and made available to interested parties, as appropriate. Creating awareness for those working for us through multiple ways of communication.
